 They all wear clothes.
 We want to make 'em."

GRAND OPENING!

THURSDAY, FEBRUARY 18, 1892.

We have leased the building No. 48 Monroe Street, corner of Waterloo, and will open Thursday, Feb. 18, with an exceptionally large and complete line of tailoring.

Yourself and friends are cordially invited to attend the opening. We will take pleasure in laying out assortment of styles before you, showing specimens of our workmanship, quoting prices and taking your order, if you are ready to leave it; if you are not ready we will take just as much pains to show you through.

We know there are already plenty of Clothiers and Tailors in Grand Rapids to supply all garments necessary to keep out the cold, so when we make a bid for patronage we come prepared to offer inducements for the trade to come to us.

We are tailors. Carry at all times a very complete assortment of Woolens, and make garments to order at popular prices—Pants from \$5.00 up; Suits or Overcoats from \$20.00 up—but when you leave your order with us, you get a perfect fitting, well made garment, which, besides fitting and holding together, shows the artistic tailoring in its construction by its nobby and stylish expression. This we always guarantee.

As all work will be done in our own building, under our own supervision, we can promise special attention to short time orders and prompt delivery of all work.

We ask you to call and see what there is to see.

OPENING THURSDAY, FEB. 18.
